AMERICANS WITH DISABILITIES ACT

The Coeur d'Alene Window Company makes windows that are ADA accessible. We offer compliant single-hung locks and custom hardware location for sliding windows. Hardware must be located within 48" of the finished floor surface. Please note your need for ADA compliant hardware when necessary.

WOCD LOCKS

Factory-installed window opening control devices (WOCD) from The Coeur d'Alene Window Company are designed to meet the ASTM F2090-10 standard intended to help prevent accidental falls from windows by children five years of age and younger. A WOCD limits the sash opening to less than 4 inches, unless it is deliberately disengaged.
